

## ABOUT VEGA TIMECARDS

VEGA TimeCards is an online time keeping solution (SaaS) that allows clients to track employee time via a standard web browser or mobile device. It replaces tedious, error prone paper time clock methods with an easy to use web-based solution that can be accessed from anywhere. Once collected, the employee timecards can go through a supervisor approval process before its final audit by payroll.

## BENEFITS

Clients repeatedly say VEGA TimeCards saves them **TIME** and **HEADACHE**. With its integration to various payroll solutions it's a great fit for businesses looking to streamline their payroll process.

Dramatically reduce payroll data entry time while increasing accuracy
Reduce administrative overhead and total cost of ownership by removing manual timecards
Reduce risk of governance and compliance with manual timecards
Complete audit trail of employee time and approval
Empower your managers and employees with real-time access to time and attendance information
Improve workforce productivity by reducing manual time tracking and approval
Monthly cost savings and quick ROI
Reduce overall carbon footprint by eliminating paperwork
Eliminate storage costs of manual timecards
No software to install reduces costly IT support
